The matters listed below are explained in further detail on the page(s) that follow;

Issues Raised

- Expenditure powers - S137 power incorrectly used
-

The following issue(s) have been raised to assist the body. The body is recommended to take action on the following issue(s) to ensure that the body acts within its statutory and regulatory framework.

Expenditure powers - S137 power incorrectly used

What is the issue?

Payments were made to one or more of the following: a local social, sports or youth club(s) which could have been authorised under S19 of the Local Government (Miscellaneous Provisions) Act 1976, power to provide recreational facilities within and outside of the area.

A payment was made to a local Village Hall/community centre which could have been authorised under S19(3) of the Local Government (Miscellaneous Provisions) Act 1976 or S133 of the Local Government Act 1972, which allows contribution towards running or furnishing buildings to be used for public meetings.

Why has this issue been raised?

The council incorrectly recorded items as Section 137 payments when other statutory powers existed. A payment cannot be recorded under S137 if another statutory powers exists.

What do we recommend you do?

The council must ensure in future years that it reviews the list of statutory powers available to council to establish if a power exists before relying on S137 to authorise a payment. The statutory power being used to authorise expenditure should be recorded alongside the item to demonstrate the council has properly followed its standing orders and financial regulations.
